About Us

**Quality,
Safety.
Reliability.
Every time.**

Welcome to Jawaher Taiba Contracting Company

Jawaher Taiba Contracting Company is a dynamic and forward-thinking company committed to setting new standards in the construction industry. Established with a vision to deliver unparalleled services, we have evolved into a reliable partner for diverse construction needs. Our journey is defined by a relentless pursuit of excellence, guided by principles of integrity, innovation, and client satisfaction.

Jawaher Taiba Contracting Company takes pride in its rich heritage of successfully navigating the complex landscape of the construction industry. Founded on the principles of dedication, transparency, and innovation, our journey has been marked by a diverse portfolio of completed projects across various sectors. Our adaptability to evolving industry trends, coupled with a proactive approach to challenges, positions us as a reliable and resilient entity in the construction domain.

VISION

Our vision is to be a trailblazer in the construction sector, recognized for our unwavering commitment to quality, sustainability, and client success. We aspire to redefine industry standards, continuously innovate, and contribute significantly to the development of sustainable and resilient infrastructure.

MISSION

Jawaher Taiba Contracting Company, our mission is to provide comprehensive and integrated construction solutions that exceed client expectations. We strive to cultivate a culture of excellence, fostering a collaborative environment where our skilled professionals work together to deliver projects on time, within budget, and to the highest standards of quality and safety.

Core Values

Our values define who we are and guide every decision we make. They reflect our commitment to excellence, responsibility, and long-term growth.

Integrity

We conduct all operations with transparency, honesty, and ethical practices—building trust with clients, partners, and employees.

Quality

Every project is delivered with a strong commitment to precision, performance, and long-term durability.

Safety

Safety is at the heart of our operations. We maintain strict standards to protect our workforce, clients, and communities.

Commitment

We honor our promises—delivering projects on time, within budget, and to the highest standards.

Customer Focus

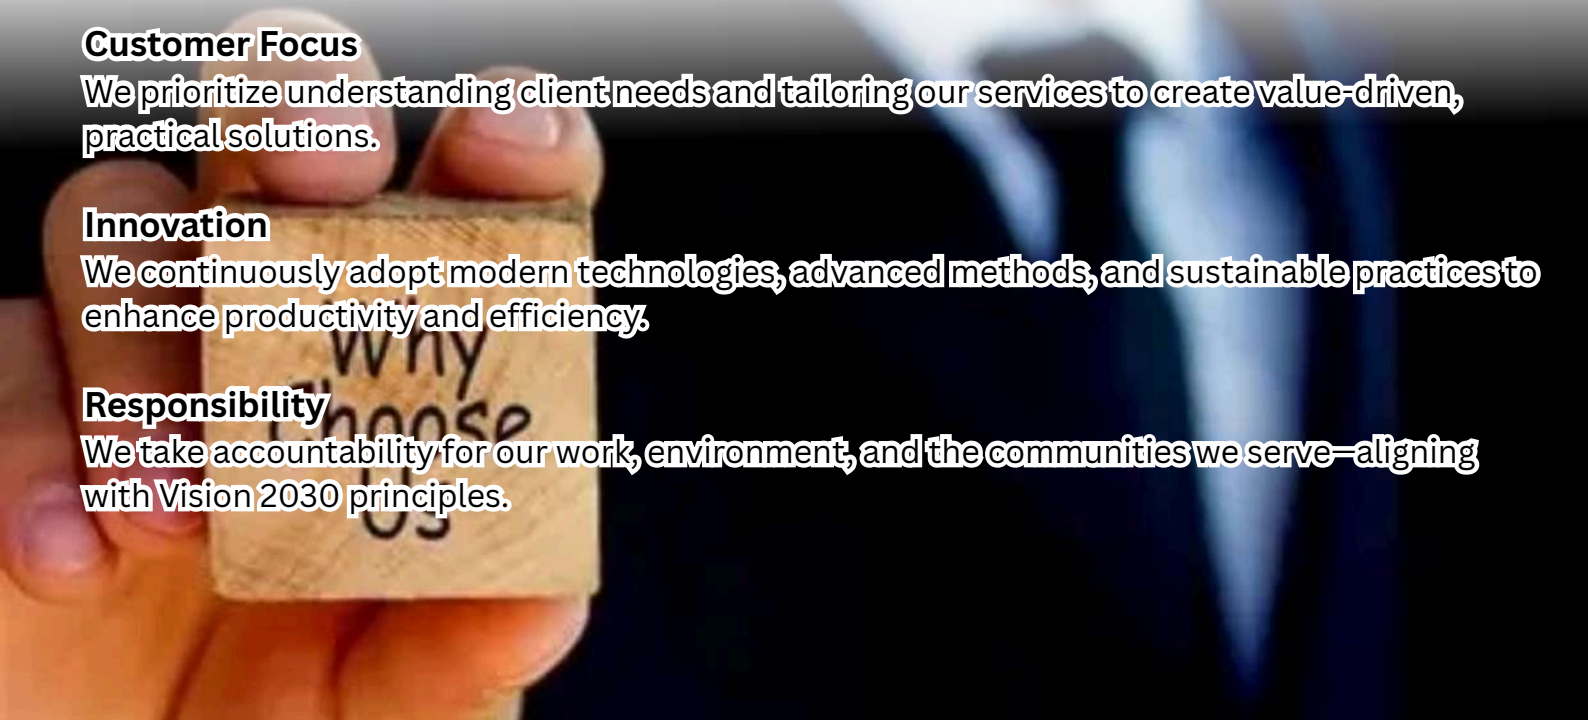

We prioritize understanding client needs and tailoring our services to create value-driven, practical solutions.

Innovation

We continuously adopt modern technologies, advanced methods, and sustainable practices to enhance productivity and efficiency.

Responsibility

We take accountability for our work, environment, and the communities we serve—aligning with Vision 2030 principles.

Jawaher Taiba Contracting Company provides a reliable and flexible workforce to meet diverse project requirements. Our manpower is managed under a single sponsor system and includes both skilled and unskilled helpers, ensuring smooth coordination, compliance, and efficiency across all operations.

Jawaher Taiba Contracting Company offers a comprehensive range of state-of-the-art equipment for rental, ensuring that our clients have access to the latest and most efficient machinery. From heavy construction equipment to specialized tools, our well-maintained fleet is ready to support diverse project requirements. Our commitment to providing reliable, cost-effective, and flexible equipment rental solutions underscores our dedication to the success of your projects.

► Light Equipment

- Dyna truck
- Bus
- Coaster
- Ambulance
- Van
- Pickup

On rental basis, we supply **Heavy & Light Equipment** such as:

- Forklift
- Man Lift
- Dump Truck
- Crane
- Backhoe loader
- Skid loader
- Loader
- Excavator
- Trailer truck
- Grader
- Bulldozer
- Water tanker
- Diesel tanker
- Bus

TRANSPORTATION

Jawaher Taiba Contracting Company ensures precise and timely transportation for construction projects. Our reliable fleet delivers materials, equipment, and skilled manpower, prioritizing seamless logistics to minimize delays and optimize resource utilization.

- Sedan, 4x4 Suv's (Land Cruiser, GMC, Tahoe. Etc.)
- 4x4 Pick Up
- 55 Seated Bus, Coaster
- Trailer (Low Bed & Flat Bed)
- Domestic Goods Transportation
- Logistic Solution
- Warehousing and Distribution Services
- Water Tanker
- Trucks Rental

Material Trading

Jawaher Taiba Contracting Company stands as a reliable source for a diverse range of high-quality construction materials. Our extensive inventory, which includes fundamental materials like cement and steel along with specialized components, ensures timely and efficient delivery to project sites. With a commitment to sourcing materials from reputable suppliers, we contribute to the overall success and quality of construction projects.

"Building Excellence from Foundation to Finish."

Valves

- Gate Valves
- Ball Valves
- Butt-weld Fittings
- Globe Valves
- Check Valves
- Butterfly Valves
- Safety Valves
- Needle Valves

Pipes

- CS-High Temperature
- Low Temperature
- CS- Welded
- CS-Seamless
- SS Pipes

Gasket

- Metallic & Non Metallic
- Spiral Wound
- Ring Type

Flanges & Fittings

- CS-High & Low Temp
- Stainless Steel

Fasteners

- CS-Hex Bolt/Double Nut
- Stud Bolt, Washer
- Anchor Bolts
- Chemical Bolts

Tools & Hardware

- Hand Tools & Power Tools
- Abrasive and Cutting Tools
- Pneumatic Systems
- Hydraulic Systems

Plates/Bars

- Plates, sheets & Foils
- Angle Bar
- Beams I, U, H

Electrical

- Conduits & Fittings
- Plugs & Sockets
- Control Equipment
- Electrical Accessories

General Contracting

Our services include:

- Site Preparation & Excavation
- Civil, Structural & Architectural Works
- Mechanical & Electrical Installations
- Finishing & Fit-Out Works
- Renovation & Expansion Projects

Our contracting division is driven by efficiency, strong project management, and a commitment to sustainability. Every project we take on is handled with precision and attention to detail, ensuring long-term durability and client satisfaction.

Our services :

General Construction

CONCRETE WORKS

PARKING LOTS & SHADES

STORAGE TANKS

SOIL TESTING

PAINTING WORKS

PLASTERING
WORKS

TILE WORKS

CARPENTING WORKS

PLUMBING WORKS

Civil & Mechanical Works

We provide integrated civil and mechanical services to support large-scale industrial and infrastructure projects.

Mechanical Works:

- HVAC Systems & Plant Services
- Pipeline Construction & Fabrication
- Steel Structures & Tanks

Civil Works:

- Roads, Bridges, and Foundations
- Landscaping & Infrastructure Development

Our holistic approach ensures durability, safety, and efficiency in every project. We take pride in blending innovation with technical expertise to achieve solutions that stand the test of time.

Electrical & Instrumentation Works

Tayba delivers specialized electrical and instrumentation services that ensure efficiency and safety.

Expertise includes:

- Power Distribution Systems
- Cable Laying & Testing
- Industrial Lighting & Grounding
- Instrumentation Installations
- Control Panels & Alarm Systems

We ensure compliance with international standards and focus on seamless integration of electrical systems that enhance operational reliability for our clients.

Water Supply & Dewatering

We provide reliable water supply solutions for construction and industrial use, supported by advanced dewatering systems.

Services:

- Potable and Industrial Water Supply
- Open Well & Deep Well Dewatering
- WellPoint Systems

Our water division is a trusted partner in ensuring uninterrupted operations for clients across KSA. With reliable fleets and expert operators, we guarantee safety, continuity, and compliance with environmental regulations.

Transportation & Logistics

Our transport division offers comprehensive logistics support with a diverse fleet.

We guarantee timely and safe delivery of resources for industrial and infrastructure projects. Logistics at Tayba means efficiency, punctuality, and complete support for seamless project execution.

Fleet Includes:

- Buses (15–66 seater)
- Pick-ups & Coasters
- Water & Fuel Tankers
- Flatbed & Lowbed Trailers
- Dump Trucks & Boom Trucks

Safety & Quality

We adopt strict safety protocols and quality control measures.

Commitments:

- Zero-accident approach
- Third-party certifications
- Client-focused quality audits

Safety is not just a regulation at Tayba; it is a culture embedded into our daily operations. Every employee is trained to follow best practices, ensuring that projects are completed without compromising on safety or quality.

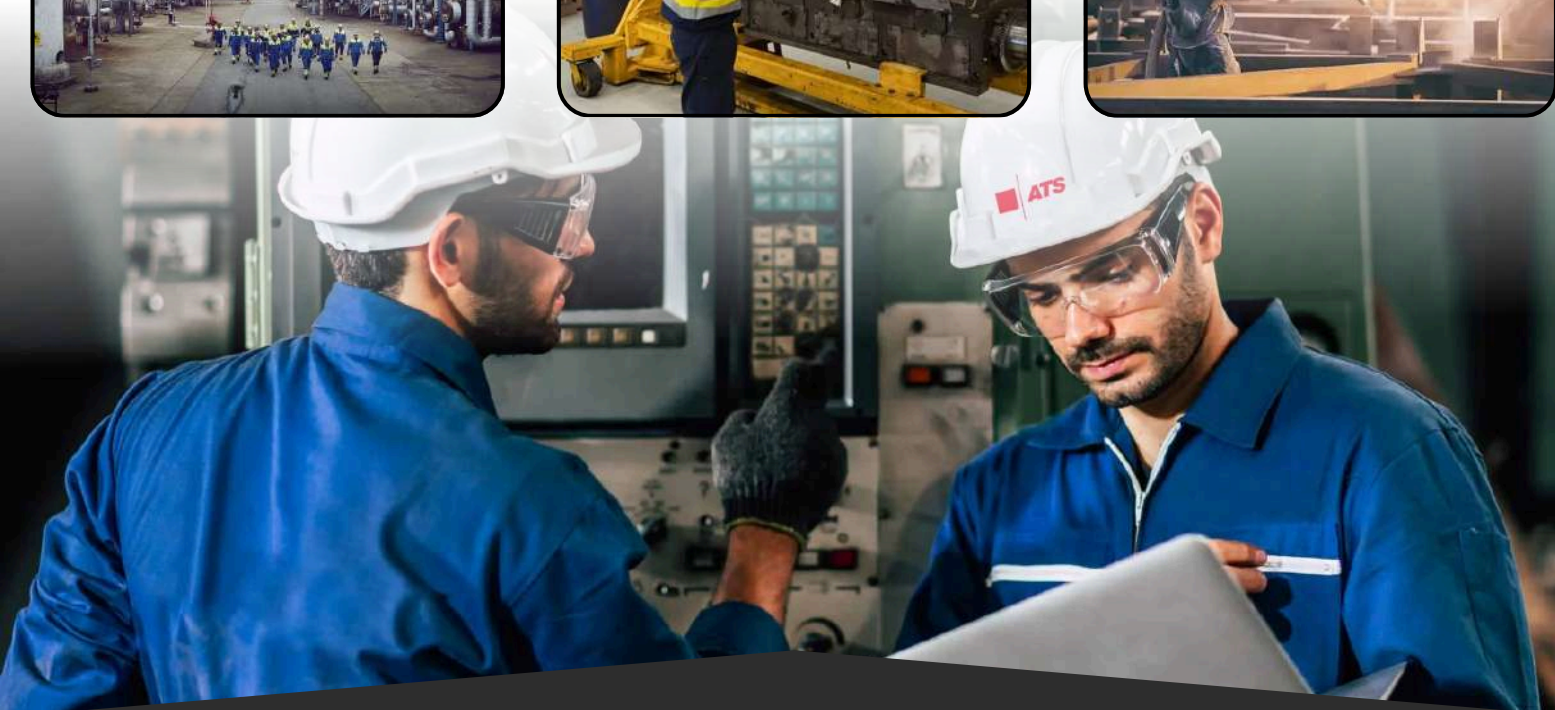

Industrial Maintenance Services

We provide preventive and corrective maintenance services for civil, electrical, and mechanical assets.

Fleet Includes:

- Facility Management
- Plant Shutdowns & Turnaround
- Equipment Repairs & Overhauls
- Surface Coating & Blasting

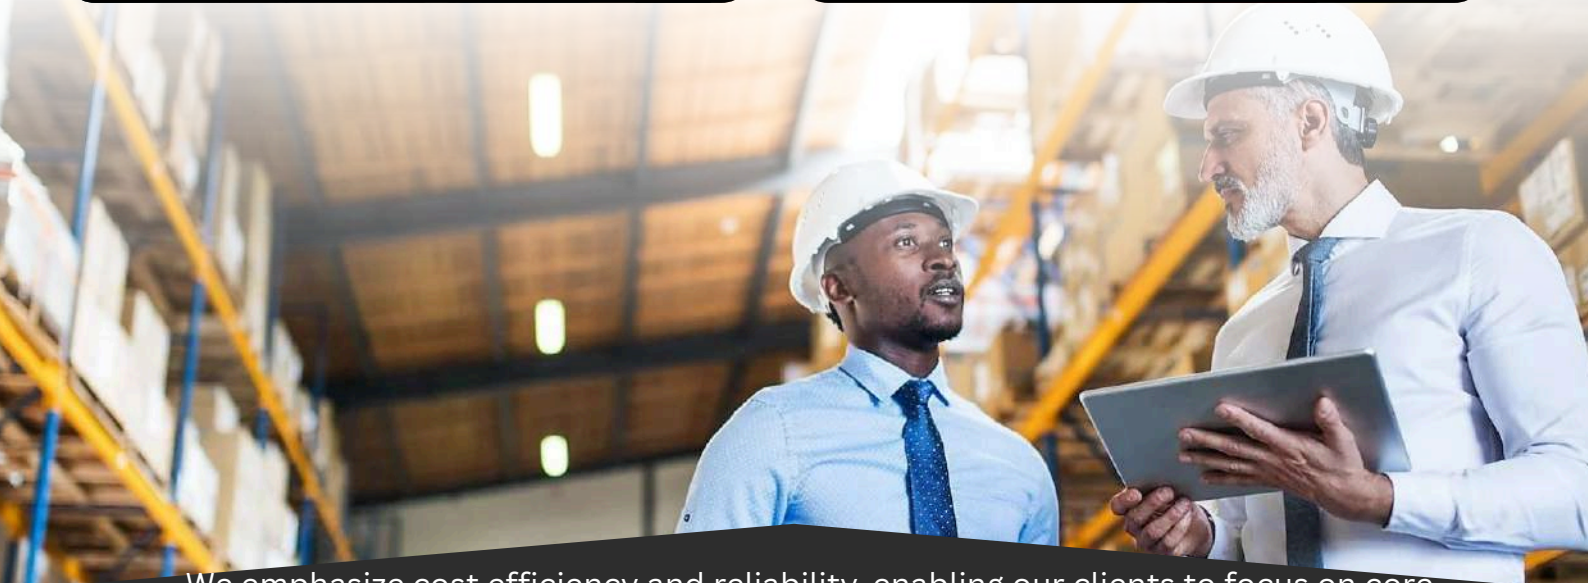

Our maintenance division enhances the lifespan of critical infrastructure, reduces downtime, and ensures productivity across industries. We deliver long-term value by adopting proactive strategies tailored to each client's needs.

Procurement & Supply Chain Solutions

Our procurement and supply chain unit ensures smooth project execution.

Solutions:

- Global Material Sourcing
- Vendor & Contract Management
- Logistics & Customs Handling

We emphasize cost efficiency and reliability, enabling our clients to focus on core business. Our supply chain solutions create a strong backbone for project delivery with minimal risks and maximum efficiency.

Fencing & Fabrication

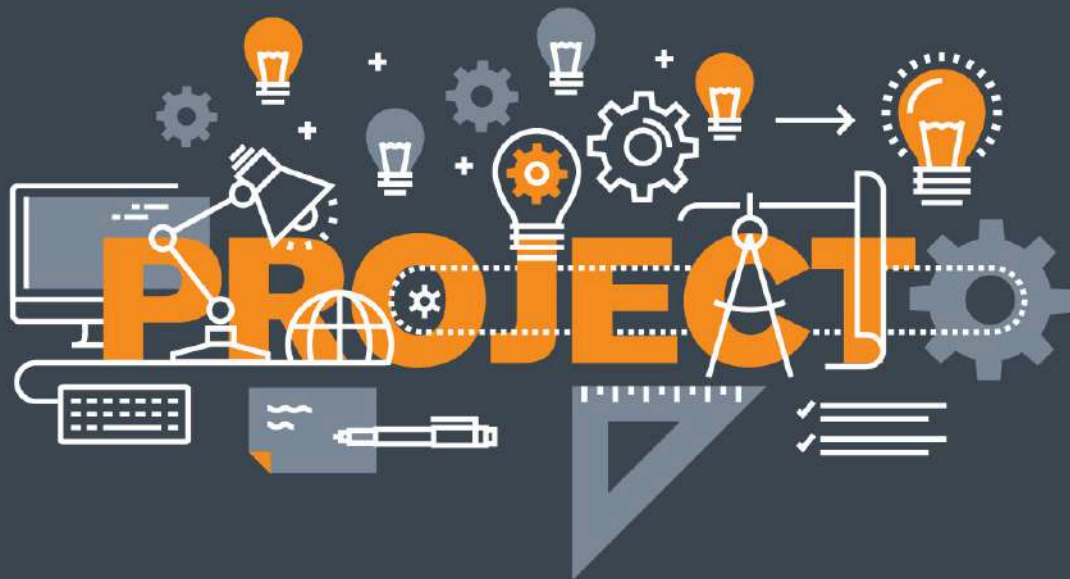

We specialize in the supply and installation of fencing systems, gates, and customized steel structures. Our fabrication services are tailored to client specifications with precision and durability. From industrial-grade security solutions to aesthetic structural works, Tayba combines function and form in every project.

Our Project Experience

Experienced in

- Oil & Gas Projects
- Industrial Plant Construction
- Infrastructure Development
- Logistics & Transport Operations
- Civil & Structural Works
- Equipment Support for Mega Projects
- Maintenance & Shutdown Activities
- Material Supply for Large-Scale Projects

Sustainability Approach

Aligned with Vision 2030, we promote eco-friendly practices, including energy efficiency, recycling, and sustainable building methods. Sustainability is integrated into our procurement, construction, and operation methods, ensuring that every project contributes to a greener future.
